# “Blending Formulations for Nutraceuticals Products”

Monteloeder

Gonmisol

SuanNutra  
USA

As a group of companies with a strong **presence in the US, Europe, and Asia**, we are uniquely positioned to serve as a global leader in the nutraceutical industry. We are dedicated to improving the lives of people worldwide through **Branded, Functional Ingredients** and a commitment to excellence in all that we do.

## A step forward in our ingredients solutions: **Blendings and Formulations**

Thanks to our unique portfolio, which combines a broad range of **Functional Ingredients (Gonmisol) and Proprietary Branded Ingredients (Monteloeder)**, we are able to enhance our offerings with additional and related services such as **Blendings** (premises of any kind of ingredients) and **ideas for insightful combinations** that align with the global trends we monitor.

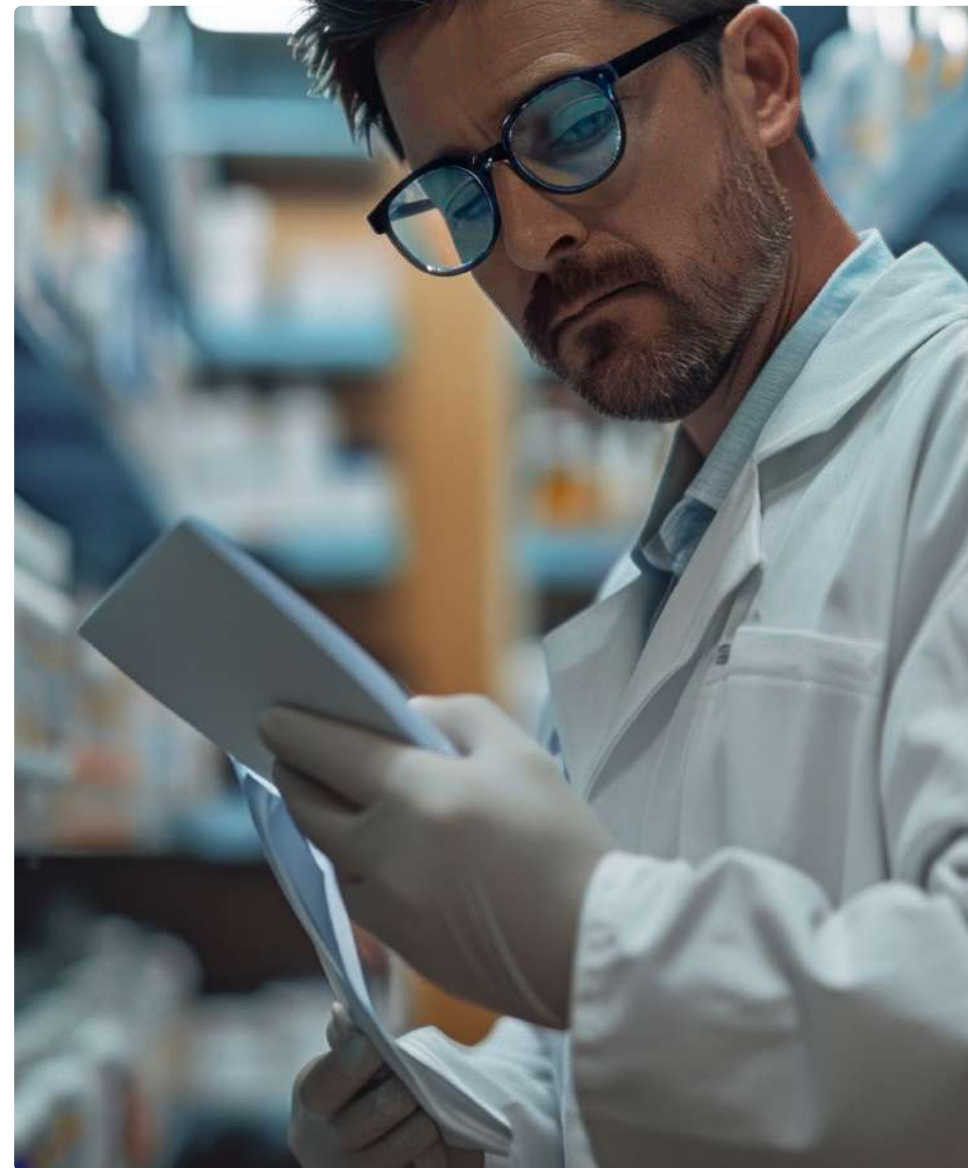

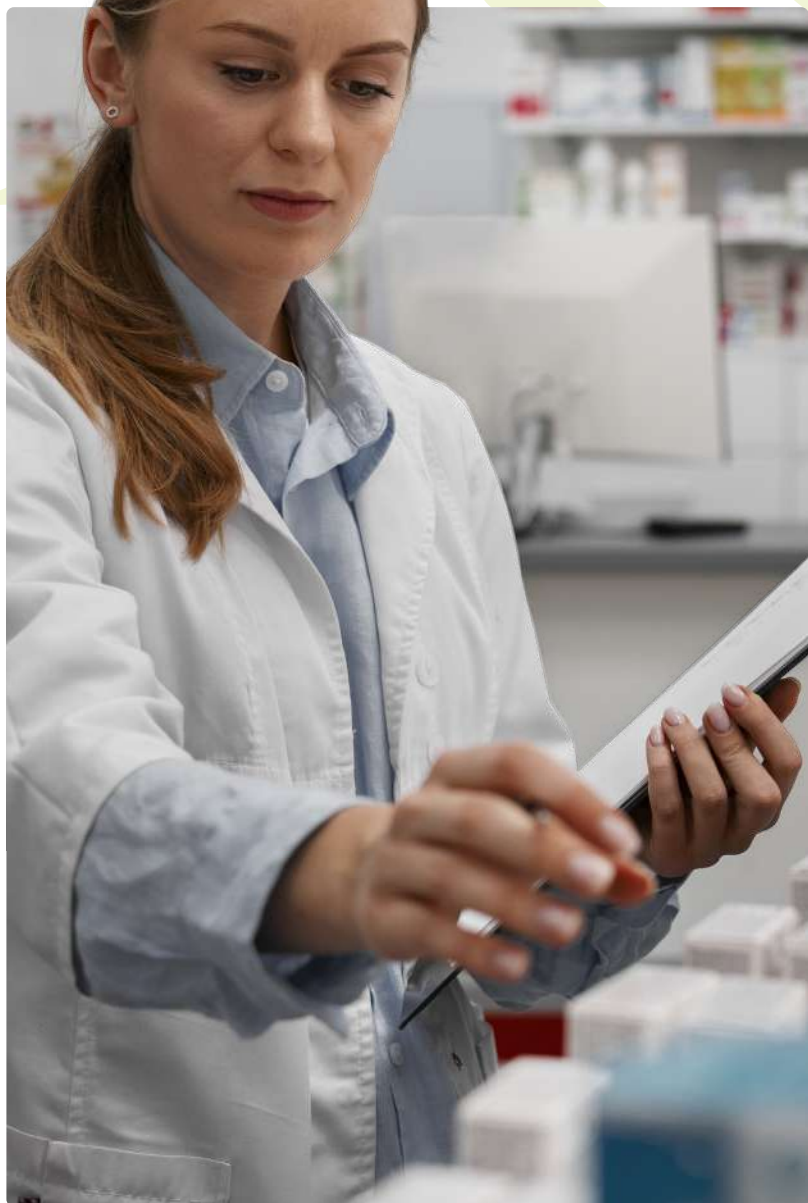

Monteloeder

Gonmisol

SuanNutra  
USA

## Standard Premixing Process

In our facilities we have two mixers, in which the ingredients are mixed, with a laboratory certified in **GMP's processes** and qualified personnel. In the standard process, up to 30 ingredients can be mixed, 710 micron sieving and basic internal analysis.

## Combination Formulas

As an innovative company we have developed **combination formulas** with different ingredients that can **act together** to support an overall **health function** or related health functions:

BEAUTY FROM WITHIN | WEIGHT MANAGEMENT | SLEEP & RELAXATION

SPORT NUTRITION | WOMEN'S HEALTH | CARDIOVASCULAR HEALTH | OTHERS.

## Extras that can be Added at Customer Request

Depending on the mixer, **two batch sizes** can be manufactured, **<100 kg and >150 kg**, always delivered in 25 Kg. in 100% recyclable cardboard drums. Delivery time is one month from receipt of ingredients.

- **Minimum batch size:** 50 Kg.
- **Maximum batch size:** 750 Kg or 1000 Kg, depending on the density of the ingredient.

## EFSA Claims

In general, all functional ingredients in these premixes have **EFSA authorized / pending claims**. Further information is available upon request.

The information contained in this document is provided for general informational purposes only and is intended to illustrate potential formulation concepts based on our industry knowledge and examples from our clients. However, our company is not an expert in formulation development; we act exclusively as a supplier of nutraceutical ingredients.

Any formulation suggestions or dosage indications included herein are based on general industry knowledge, are not intended as validated or endorsed solutions and should not be interpreted as definitive recommendations for efficacy, ingredient synergy, or sensory/organoleptic qualities. It is the sole responsibility of the customer to independently assess and validate the effectiveness, safety, and regulatory compliance of any formulation.

Before launching any product, customers should conduct their own testing and consult with qualified professionals in formulation, regulatory affairs, quality assurance and legal compliance. Our company expressly disclaims any and all liability arising from the performance, stability, or success of any formulation derived from the information provided in this document.

# Beauty from Within

Beauty from within focuses on **enhancing skin, hair, and nail health through targeted nutrition and supplements.**

By nourishing the body from the inside, this approach promotes natural radiance, elasticity, and vitality for a lasting, healthy glow.

Preparing Skin for  
Healthy Sun Exposure.

Strengthens skin and scalp  
against environmental stress.

Slows down aging, promoting  
youthful skin longevity.

 1 Stick/day   
  2 Capsules/day  
 2 Tablets/day   
  1 Powder/day

- **Protects skin from environmental pollutants** by reducing inflammation and **inhibiting AhR overactivation**, while providing antioxidant and radical-scavenging benefits.
- **Enhances skin radiance** by controlling melanogenesis and reduces sebum secretion.

2 Clinical studies 

## Enviromental Skin Shield

RDD	Ingredients
250 mg	 <b>zeropollution</b> (Rosemary, Olive leaves, Japanese pagoda & Lemon verbena)
1.65 mg	L-Selenomethionine (SE 0.5%)
600 mg	Milk Thistle Extract (80% Silymarin)
12.12 mg	Ascorbic Acid 100% (Vit C)

### Benefits

Create a strong defense against environmental skin damage. This formula strengthens detoxification, protects against oxidative stress, and boosts skin resilience, forming a multi-layered defense against environmental pollutants.

### EFSA Claims

#### AUTHORIZED CLAIMS:

- ID283: "Selenium contributes to the protection of cells from oxidative stress"
- ID131: "Vitamin C contributes to normal collagen formation for the normal function of skin"

#### PENDING CLAIM:

- ID3822 (600mg): "Milk Thistle Extract gives protection against the free radicals action due to stress, alcoholics, UV exposure or polluted ambiance conditions"

### Beauty Claims Available in Europe for Zeropollution®

- 12 weeks of supplementation with 250 mg/day of Zeropollution® improves the appearance of wrinkles\*
- 12 weeks of supplementation with 250 mg/day of Zeropollution® improves skin elasticity and firmness\*

\*Based on the results of published clinical study

# Scalp Defense

RDD	Ingredients
250 mg	zeropollution (Rosemary, Olive leaves, Japanese pagoda & Lemon verbena)
7.5 µg	Biotin
1.65 mg	1.L-Selenomethionine (SE 0.5%)
1.52 mg	1.Zinc Sulfate
0.154 mg	Copper Gluconate

## Benefits

Powerful blend for scalp protection. Together, these ingredients protect the scalp from environmental damage, support hair health, and improve scalp resilience.

## EFSA Claims

### AUTHORIZED CLAIMS:

- ID281: "Selenium contributes to the maintenance of normal hair "
- ID268: "Copper contributes to normal skin & hair pigmentation"

### Biotin:

- ID283/ ID118/ ID 121/ ID2876: "Contributes to the maintenance of normal hair "
- ID115/ ID121: "Contributes to the maintenance of normal skin"

### Zinc:

- ID412/ID293: "Contributes to the maintenance of normal skin, hair and nails"
- ID294: "Contributes to the protection of cells from oxidative stress"

## Beauty Claims Available in Europe for Zeropollution®

- 12 weeks of supplementation with 250 mg/d ay of Zeropollution® improves the appearance of wrinkles\*
- 12 weeks of supplementation with 250 mg/d ay of Zeropollution® improves skin elasticity and firmness\*

\*Based on the results of published clinical study

zeropollution

1 Capsule/day    1 Tablet/day  
1 Stick/day    1 Powder/day

- **Enhances scalp health** by improving moisturization and reducing Transepidermal Water Loss (TEWL).
- **Decreases scalp sebum levels**, managing excess oil production and improving overall scalp health.

2 Clinical studies 

1 Sachet/day

1 Powder/day

- **Activates telomerase** to reduce telomere shortening and prevent cellular senescence.
- **Boosts fibroblast proliferation** and protects skin from free radicals, promoting youthful skin health.

# Weight Management

Weight management focuses on achieving a **healthy weight** through **balanced nutrition** and **active lifestyle choices**, supporting energy, wellness, and lasting health goals.

Naturally Boost GLP-1,  
Empower Weight Management

 1 Stick/day

 1 Sachet/day

 2 Capsules/day

 2 Tablets/day

- **Boosts satiety hormones** like **GLP-1** and **activates AMPK**, promoting a sense of fullness for effective **weight management**.
- **Supports hormone balance** by reducing hunger and **decreasing appetite stimulation**, aiding in **long-term weight management** during calorie restriction.

8 Clinical studies 

## Weight Balance

RDD	Ingredients
500 mg	 <b>metabolaid</b> (Hibiscus & Lemon verbena)
365 mg	Caffeine Anhydrous
471 mg	Green Tea extract (60% EGCG)

### Benefits

Together, these ingredients effectively promote weight management by enhancing appetite control, increasing energy expenditure, and improving metabolic health.

### EFSA Claims

#### PENDING CLAIM:

#### Metabolic Syndrome

- ID1123: "Camellia Sinensis supports resting metabolic rate, thermogenesis, energy expenditure and fat oxidation."

#### Weight Management

- ID1112: "Camellia Sinensis helps to control fat metabolism, helps to increase energy expenditure, helps to burn the fat, helps to increase metabolic rate and maintain healthy BMI. [Prevent] cholesterol absorption. [Therapeutic] Camellia Sinensis helps to prevent the fat and triglycerides accumulation."

# Performance & Weight Control Sport

RDD	Ingredients
500 mg	 <b>metabolaid</b> (Hibiscus & Lemon verbena)
128 mg	Green Tea Extract (90% EGCG)
2062 mg	L-Carnitine Base

## Benefits

This Performance & Weight Control Support formula combine to promote sustained energy, performance, and effective weight management. Together, these ingredients optimize both weightcontrol and physical performance by managing appetite, enhancing energy, and promoting fat metabolism

## EFSA Claims

### PENDING CLAIMS:

#### GREEN TEA EXTRACT:

- "Helps to maintain and control weigh, helps to increase fat oxidation and to reduce body fat"

#### GREEN TEA EXTRACT: ID3280:

- "Traditionally used to feel more energetic"
- "Helps to find more energy"
- "Traditionally used for mental and physical fatigue"
- "Contributes to enhance mental and physical capacities"
- "Helps to strengthen the body"
- "Contributes to physical well-being"
- "Has stimulating and tonic properties that contribute to the resistance against mental and physical fatigue"

#### L-CARNITINE BASE:

- ID2843: "Helps to reduce localized excess fat. Targets the main causes of cellulite"

 **metabolaid**

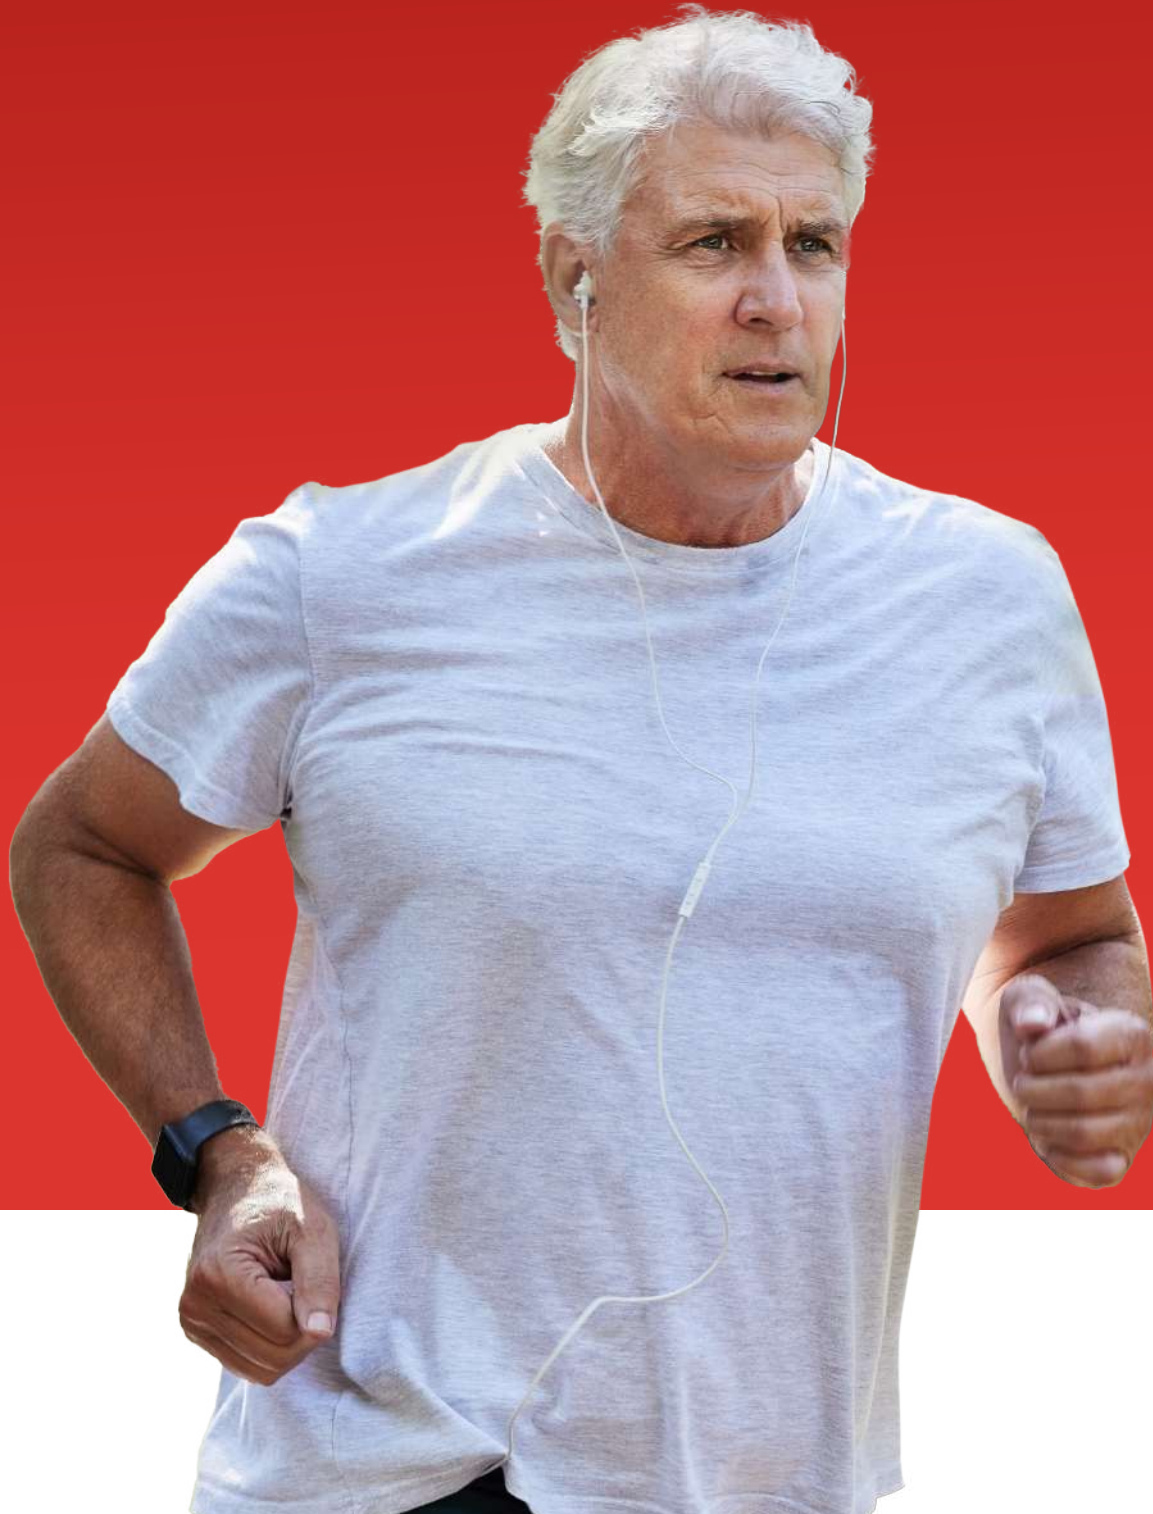

PERFORMANCE & WEIGHT CONTROL SUPPORT

 **metabolaid**

 1 Stick/day  1 Sachet/day  Powder/day

- **Boosts satiety hormones** like **GLP-1** and activates **AMPK**, promoting a sense of fullness for effective **weight management**.
- **Supports hormone balance** by reducing hunger and **decreasing appetite stimulation**, aiding in **long-term weight management** during calorie restriction.

8 Clinical studies 

# Cardiovascular Health

Cardiovascular health emphasizes maintaining a **strong heart** and **healthy blood** vessels through balanced nutrition, regular exercise, and lifestyle care, supporting long-term vitality and well-being.

Comprehensive Support for  
Cardiovascular and Metabolic Well-Being

 2 Capsules/day
  2 Tablets/day

 2 Soft Gels/day
  2 Gummies/day
  Powder/day

- **Supports cardiovascular well-being** by promoting healthy cholesterol and blood pressure levels.
- **Blood pressure** support with reduction in systolic and diastolic blood pressure.
- **Helps manage cholesterol** levels contributing to overall cardiovascular health.

8 Clinical studies 

## Cardio Balance Support

RDD	Ingredients
500 mg	 <b>metabolaid</b> (Hibiscus & Lemon verbena)
100 mg	Coenzyme Q10
10 mg	Vitamin B6

### Benefits

This Cardio Balance Support formula synergize to promote cardiovascular wellness and support balanced energy levels. Together, these ingredients support heart health, balanced energy, and metabolic function, promoting overall cardiovascular wellness.

### EFSA Claims

#### AUTHORIZED CLAIMS:

- ID73/ID76/ID199/ID72/ID186: "Vitamin B6 contributes to normal homocysteine metabolism and red blood cell formation."

#### PENDING CLAIM:

- ID1721: "Coenzyme Q10 maintains a healthy heart, blood pressure and cholesterol levels."

## Metabolic & Vascular Health Support

RDD	Ingredients
500 mg	 <b>metabolaid</b> (Hibiscus & Lemon verbena)
50 mg	Magnesium Citrate
250 mg	Green Coffee Bean Extract

### Benefits

This Metabolic & Vascular Health Support formula work synergistically to promote healthy metabolism and vascular function. Together, these ingredients support effective weight management, enhance energy levels, and promote vascular health, making this formula a comprehensive choice for metabolic wellness.

### EFSA Claims

#### AUTHORIZED CLAIM:

##### Magnesium:

- ID245/ID240/ID242: "Contributes to normal energy-yielding metabolism, normal psychological function and normal functioning of the nervous system."
- ID244: "Contributes to a reduction of tiredness and fatigue."
- ID365: "Role in the process of cell division."

 **metabolaid**

 2 Capsules/day    2 Tablets/day    1 Stick/day  
 2 Gummies/day    Powder/day

- **Boosts satiety hormones** like **GLP-1** and activates **AMPK**, promoting a sense of fullness for effective **weight management**.

# Women's Health

**Women's health** is dedicated to supporting the **unique wellness needs** of women at every life stage, focusing on vitality, resilience, and overall physical and emotional well-being.

Comprehensive Support for  
Cardiovascular and Metabolic Well-Being

Elevate Melatonin,  
Transform Your Sleep.

 2 Capsules/day
  1 Stick/day
  2 Tablets/day  
 2 Soft Gels/day
  Powder/day

- **Supports healthy weight and metabolism** by regulating appetite hormones like GLP-1, helping prevent **rebound weight gain**.
- **Promotes optimal blood pressure** for balanced **cardiovascular health** during menopause.

8 Clinical studies 

## Balanced Menopause Support

RDD	Ingredients
500 mg	 <b>metabolaid</b> (Hibiscus & Lemon verbena)
102 mg	Iron Bisglycinate Sulfate (15.7%)
3 mg	Cholecalciferol 1 MIUG Oleaginous (VIT D3)
406 mg	Calcium Gluconate

### Benefits

The formula offers targeted support to address key needs during menopause. Together, these ingredients provide comprehensive support for bone health, metabolism, and energy.

### EFSA Claims

#### AUTHORIZED CLAIMS:

- "Calcium helps to reduce the loss of bone mineral in post-menopausal and menopausal women. Low bone mineral density is a risk factor for osteoporotic bone fractures"
- ID253/ID252/ID259/ID255/ID374/ID2889: "Iron contributes to normal cognitive function, normal function of the immune system and contributes to the reduction of tiredness and fatigue"

#### Vitamin D:

- ID153: "Role in the process of cell division"
- ID150/ID151/ID158/ID350/ID155: "Contributes to the maintenance of normal bones and muscle function"
- ID154/ID159: "Contributes to the normal function of the immune system"

## Menopause & Mood Balance

RDD	Ingredients
400 mg	 relaxplx (Lemon verbena)
200 mg	Red Clover Extract (40% Isoflavones HPLC)
57 mg	Magnesium Gluconate

### Benefits

Provides targeted support for both emotional and physical well-being during menopause. Together, these ingredients provide holistic support to help women navigate menopause with greater comfort and emotional balance.

### EFSA Claims

#### AUTHORIZED CLAIM:

##### Magnesium

- ID239/ID244: "Contributes to the maintenance of normal bones and reduction of tiredness and fatigue"
- ID245/ID240: "Contributes to normal psychological function and normal energy-yielding metabolism"
- ID242: "Contributes to normal functioning of the nervous system"

#### PENDING CLAIM:
